# We are a **real estate marketplace.**

Our Business Model is divided in 3 segments, allowing you to earn money in other markets and countries.

- 1 Originator**  
*Party who originates the lead*
- 2 Realtor**  
*Party who executes the transaction*
- 3 Real Estate Company**

*Ex.: An agent in Miami (US) can earn commission in South America or Europe acting as originator of the deal.*

Our objective is to expand your market area, enabling you to operate in other markets/countries and still get paid. This business model is known as **Collaborative Management**, where everyone wins!

## Referral Program

Our referral program compensates you once you bring or recommend other agents to our company.

Increase your earnings and profitability referring other agents!

## Our Team

Our team is formed by high level executives with vast experience in the corporate market, innovating the way to do business in the real estate market.

Our promise is to provide you with all the necessary tools and support to achieve your personal and business goals.
